Bank wire (IBAN details below)

I hereby accept the conditions set by Lorient harbor for the race: therefore, I go the harbor office when I arrive to confirm that my boat is in the right spot and I respect the instructions given to me. I am also reachable by the harbor's team for the duration of the stay.

I accept the conditions set in article 14 of the notice of race relating to the skipper and the boat's insurance.

At last, I agree to follow ISAF and FFV rules for racing to prevent collision with other vessels. I certify having read those fundamental rules, especially 1 and 4 that state that "a boat and her skipper must help as much as possible any person or vessel in danger" and " the skipper is the only person responsible in making the decision to participate in a race or to keep racing".
