17- INFORMATION ON THE PROCESSING OF PERSONAL DATA-REGULATION (UE) 2016/679 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL (GENERAL DATA PROTECTION REGULATION-GDPR) INTENDED FOR TREATMENTS CARRIED OUT IN THE COVID-19 CONTAGION PREVENTION ACTIVITIES FIELD

Ms. Raquel Albacete based in Escullera de Ponent s/n 08871 Garraf (Sitges) will be the person in charge of processing the personal data of the people with access to the facilities of the yacht club CLUB NÀUTIC GARRAF, informs you in accordance with art. 13 of EU Regulation 679/2016 (in advance "General Data Protection Regulation" or "GDPR") where your personal data (in advance "data") will be subject to treatment (according to the definition of "treatment" or the article 4.2 of the GDPR) in the manner and for the purposes indicated below.

1. Purpose and legal basis of the treatment

The personal data you provide or that are obtained by reason of your participation in the regatta or access to the C.N.Garraf will be processed in order to avoid the spread of COVID-19.

The legal basis of the treatment is identified in the implementation of the security protocols against contagion in accordance with article 27 of Royal Decree-Law 21/2020 of June 9, on urgent measures of prevention containment and coordination to face to the health crisis caused by COVID-19.

The person responsible for the treatment of data will processes particular categories of personal data, meaning data related to the state of health, since the treatment is necessary to fulfill the obligations of the person responsible in terms of security and social protection as established in Article 9 of the GDPR.

2. Personal data object of the treatment- General data: name, surname, telephone.

Particular categories of personal data in accordance with art. 9 of the GDPR: health status data in particular the body temperature measured at the entrance to the facilities of C.N.Garraf or in case there are symptoms related to COVID-19 after access.

In this case the data will be communicated to the competent doctor and to the person in charge to established the current regulations and instructions.

3. Nature of data provision

We recommend that in purpose indicated to the provision of your data is mandatory. If you deny the access to the information it won't be possible to access the facilities to the yacht club.

4. Duration of the conversation of your data.

Your personal data and body temperature are needed to be able to detect any presence of any symptoms of COVID-19 and to avoid any possible contagion. Once the body temperature is collected if it's fewer than 37.5 ° you will be able to have access to the yacht club C.N. Garraf the measured temperature will not be stored.

In case the body temperature is over the previous temperature threshold the C.N. Garraf is obliged to identify the person concerned and record the body temperature to document the reasons that prevented access to C.N.Garraf. For this reason, your personal data and data related to your body temperature will be recorded and stored for a period of 14 days. The same thing will happen if the body temperature is detected once you're in the facilities of the yacht club.

5. Data use method

The data processing is carried out using an appropriate paper support that guarantees the security and confidentiality of the data in accordance with the provisions of Chapter II (Principles) and Chapter IV (Data controller and data processor) of the GDPR. The processing of personal data may consist of the collection, registration, storage, consultation, communication, cancellation or destruction of the data.

6. Extension of the circulation of the data

Your data will be processed directly by the Club who will detect your temperature when you enter the facilities. Without your express consent (in accordance with article 6 letters b) and c) or the GDPR) the controller may communicate your data to the health authorities as well as to all other subjects to whom communication is mandatory.

7. Data diffusion

Your data will not be disclosed to undetermined people.

8. Transfer of data abroad

Data will not be transfer outside the European Union

9. Person in charge of data processing

Raquel Albacete: administrative technique

10.Exercise of rights

As an interested party in the processing of data, we inform you that you have the possibility to exercise the rights provided for by the GDPR a specifically:

- a) The right in accordance with article 15 to obtain confirmation that the processing of data concerning him is in progress and in this case, to obtain access to the data and the following information: (I) the purpose of the treatment (II) the type of data in order, (III) the recipient or categories of recipients to whom the data have been or will be communicated especially in the case of third countries or international organizations (IV) where possible the expected period that the data will be retain, if not possible, the criteria used to determine this period; (V) the existence of the right of the person concerned to request the controller to correct or delete the data or limit the processing or to object to its processing; (VI) the right to lodge a complaint with a supervisory authority in accordance with article 77 et seq. of the GDPE; (VII) if the data is not collected from the interested party all available information on its origin; (VIII) the existence of an automated decision-making process including the profiling referred in article 22 paragraphs 1 and 4 of the GDPR, at least in such cases of important information on the logic used and the importance and expected consequences pf such treatment for the person concerned.

- b) The right to be informed of the existence of adequate safeguards in accordance with article 46 of the GDPR in relation to the transfer if the data is transferred to a third country or to an international organization;
- c) The person concerned will also have (where appropriate) the possibility to exercise the right mentioned in the article 16-21 of the GDPR (the right of rectification, right to be forgotten, right of limitation of processing, right to data portability, right of opposition).

We inform you that the controller undertakes to respond to your request no later than one month after receiving the request. This period may be extended by two months if necessary taking into account the complexity or the number of applications received.

11. Manner of exercise of the rights

The interested party may at any time exercise the right mentioned above sending a request to the following address:

info@clubnauticgarraf.com

Article 27. Protection of personal data

The processing of personal information that is carried out as a result of the development and application of this royal decree-law shall be done in accordance with the provisions of Regulation (EU) 2016/679 of the European Parliament and out of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/CE, in Organic Law 3/2018 of December 5th on the Personal Data and the Guarantee of Digital Rights and as set out in Article 8. 1 and 23 of Law 14/1986 on 25 April, General of Health. In particular the obligation to inform interested parties of the data obtained by the subjects covered by this Royal Decree-Law shall be in accordance with Article 14 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 taking into account the derogations and obligations provided for in paragraph 5 thereof.

The purpose of the treatment shall be the monitoring and epidemiological surveillance of COVID-19 in order to prevent and avoid exceptional situations of particular gravity, taking into account reasons of essential public interest in the specific field of public health and for the protection of the vital interests of those affected and other natural persons under Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016. The data collected will be used exclusively for this purpose.

The person responsible for the treatment shall be the Autonomous Communities, the cities of Ceuta and Melilla and the Ministry of Health within the scope of their respective competences which shall ensure the implementation of the mandatory security measures resulting from the relevant risk analysis taking into account that the processing affects special categories of data and that such processing will be carried out by public administrations obliged to comply with the National Safety Scheme.

The exchange of data with other countries shall be governed by Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 taking into account Decision No 1082/2013/EU of The European Parliament and of the Council of 22 October 2013, on serious cross-border threats to health and the revised International Health Regulations (2005) adopted by the 58th World Health Assembly held in Geneva on 23 May 2005.
