Année : 2006

Constructeur : Pogo Structures (France)

Disponible après la Mini Transat 2025, entraînements possibles en Bretagne à l'été 2025.

Entrez dans le monde de la course au large en Classe Mini avec Nolita, un Pogo 2 éprouvé et solide, idéal pour les marins solitaires en devenir et les premiers projets Mini Transat. Réputé pour sa fiabilité et sa simplicité, ce bateau a été entièrement modernisé et entretenu avec soin. Il a reçu trois prix de « Bonne Performance » décernés aux bateaux les plus rapides de « l'ancienne génération ».

Principales améliorations en 2025 : nouveau mât avec gréement complet, nouvelle grand-voile (OneSail), winchs Harken (dernier modèle), nouveau pilote automatique électrique, coque entièrement refaite (août), nouvelles drisses et écoute (Armare), ferrures de safran changées.

- Comprend un ber statique ainsi qu'une remorque routière (fabriquée en 2024) !
- Jeu complet de cartes marines pour l'Atlantique, la Méditerranée et les Caraïbes!
- Entièrement équipé pour toutes les courses de la Classe Mini.

654 - Nolita - Pogo 2

Year: 2006

Builder: Pogo Structures (France)

Available after Mini Transat 2025, trainings are possible in Brittany in summer 2025.

Step into the world of Mini Class offshore racing with Nolita, a proven and solid Pogo 2, ideal for aspiring solo sailors and first-time Mini Transat projects. Known for its reliability and simplicity, this boat has been fully upgraded and maintained with attention to detail. The boat has been rewarded with three “Good Performance” prizes that are given to the fastest “old generation” boats.

Major upgrades in 2025: new mast with full rigging, new mainsail (OneSail), Harken winches (latest model), new electric autopilot, hull redone fully (august), new lines (Armare), rudder fittings changed.

- Includes both static cradle and road trailer (built in 2024)!
- Full set of charts for the Atlantic, Mediterranean and Carribean!
- Fully equipped for any Classe Mini races.
