- Full safety kit including anchor, flares, drogue anchor, bolt cutters, vhf handheld radio, ssb, monocular etc

Some personal items such as head torches and life vest need to be replaced.

Sails

- Main Sail: June 2025. All purpose main sail, great improvement in boat performance. 4th Mini Fasnnet.
- Two Training mains - North Sails from 2014 and 2015.
- Jib: 2023, Ratsey - dacron, one reef. Took shape from original jib. A little tired now but good design for Argo.
- Genakker A: June 2021 in mylar polyester with furler. 32 m2. Good condition.
- Genakker B: April 2014 in mylar Dacron, great sail, very polyvalent.
- Spi Grand: All Purpose April 2025. Wonderful shape for Argo, holds well down wind up to 20 knots.
- Spi Grand A: April 2014 in Nylon. Good for training and delivery
- Spi Medium: April 2019 in Nylon with one reef with zip. 67 m2
- Spi Petit: June 2021 in Nylon. 45 m2
- Tourmentin: Dacron orange cloth

Rigging

- New rigging from May 2025.
Revised mast and replaced fittings where needed.
- New Dyneema/Tecnora halyards Jan 2025
- New spi sheets and jib sheets 2025
- All deck rigging in Dyneema replaced 2025
- Bowsprit fittings and rigging revised and renewed April 2025
- New second bowsprit ready to be used
- New led top light 2024
- New mast wiring 2024 with sock.

Keel removed, cleaned, revised and refitted May 2025.

Balconies redone 2024 to fit class standards.
