

Mini 6.50 #759 – Ashika II This is a rare opportunity to own a professionally maintained and recently optimized Mini 6.50. After a significant evolution in 2023 to a modern spatula bow, the boat has been further refined with a **2025 refit**, ensuring all systems are robust and race-proven.

New 2025 Sails (Invoice details): The sail wardrobe has been upgraded with the following brand-new additions:

- Square Top Mainsail NPL RENEW SM RENEW NorLam 7.0smy
- Jib Light/Medium NPL RENEW SM RENEW NorLam 7.0smy
- A2 Asymmetric Clearance Downwind Woven NO 75 (DARK GREEN)

Technical Specifications & Recent Upgrades:

- **2025 Refit:** Complete vessel overhaul, including a definitive fix for the autopilot system following the 2025 Mini Transat.
- **Structure:** Hull sanded to carbon and structural layers rebuilt (2023); spatula bow design by Sam Manuard.
- **Electronics:** Full NKE system (Gyropilot2, Carbowind HR, Multigraphic) + Digital Yacht AIS Class B and Furuno GP32.
- **Energy:** 2x 100Ah Lithium batteries, 2x 100W solar panels, and a Watt&Sea 300W hydrogenerator.
- **Rigging:** All new running rigging and Dyneema standing rigging (2023); new Constrictors.
- **Safety:** Fully compliant with Class Mini Category A race requirements.

Included Extras:

- Homologated trailer with custom-made cradles.
- Carbospeed antifouling.
- Full set of spares (bowsprit fittings, sail repair kit, etc.).

Location: Delivery available in Concarneau or by agreement. **Price:** 55k €
