## WHAT'S THE USE ?

---

The registration system by order of preferences aims at anticipating/organizing possible waiting lists when entering the D, C and B level races and at giving everyone the same chance to enter any race (regardless of the geographic location).

## PRESENTATION OF THE 2023 CALENDAR

The 2023 calendar is officially presented at the Ordinary General meeting in december 2022.

The A level race of the year, the Mini-Transat is not included in this process as it requires full qualification and the order of entry is governed by article R-10.

It's time to think about your program and pre-select the priority races according to your availability and desires.

## PREFERENCES FORM

---

The form is to be sent to **Classe Mini**. To fill out this form, simply complete the information and number the races which you wish to enter in order of priority (priority number 1 for the one you don't want to miss - **maximum 8 wishes**).

Boat number is required

You cannot give the same level of priority for two different races even if they take place on two different areas.

You cannot enter as skipper of a boat at least once in the season and be co-skipper on the same boat for an event you haven't mentioned on your preferences form.

### **IMPORTANT**

If we don't acknowledge the receipts of this form within 5 days after you've sent it, contact the Classe Mini secretariat.

Entries are to be made **with each organizer**.

Final lists established according to the preferences form will be published on **February, 10 2023**. It is then possible to enter from this date.

entering a race is a commitment. By entering you submit to the rules of the Notice of Race and the Guide Mini, whatever your position on the lists. This is why **only the skippers of the main lists and the first 10 of the waiting list must confirm their intention by entering no later than February, 24 2023 (D-Day)**. Other skippers will be notified according to the evolution of the waiting lists.

Any entry made on February, 24 or before will be considered on this date and established in the order of the lists of February, 10 2023.

A valid entry consists of:

**ET** - duly completed entry form  
- entry fees paid

It's possible to enter after February, 24 2023. In which case, entries are considered in chronological order

### IN BRIEF

---

This system is not an obligation in itself but essential to have a better chance in participating in as many races as possible during this extremely busy period! If you don't send your form, your entry will be considered after February, 24 2023.

Please respect the other skippers and the organizers by only entering the races in which you **really** intend to participate.
